### Attending Wave arts club

Once we have your form, we'll invite you to the next dates that we are meeting at INTRA. It is usually twice a month, on a Monday evening and a Sunday afternoon.

You are welcome to bring a friend or relative along with you if this helps, and we know it's not always easy to meet new people alone. We promise you will be welcome, however you are feeling. Everyone at Wave knows how it feels to experience difficult times. You can attend every time the club runs, or just occasionally, it's there for you when you are able to come along.

If there are any particular art techniques you'd like to try out, you'll be able to request them. But you can just come along and chat or doodle with no pressure to take part in creative activities if that's what feels right to you.
